PETITION TO CORRECT FILING DATE

S I R :

Applicants hereby petition the Commissioner to amend the records of the U.S. Patent and Trademark Office to correct the Filing Date of the above-referenced patent application. While the above application was forwarded to the Patent Office by Express Mail on August 19, 1999, the Patent Office records, as reflected by the postcard receipt, incorrectly reflect a filing date of August 24, 1999.

On August 19, 1999, Applicants' undersigned attorneys received documents regarding three U.S. National Phase patent applications. Two of the sets of documents were received by Federal Express, and the third set of documents was received by telefax. Copies of the cover letters for these three applications are attached as Exhibit A to the enclosed Affidavit of William H. Dippert.

All three National Phase applications were forwarded to the Patent Office by Express Mail in the same envelope. Copies of the

respective transmittal documents are attached as Exhibit B to the Dippert Affidavit. A copy of both sides of the Express Mail label bearing the Post Office date stamp on the reverse side and the postal clerk's hand-written date on the front side are attached as Exhibit C to the Dippert Affidavit.

Each application was filed with a pre-addressed, self-stamped postcard receipt, and copies of the stamped sides of the respective postcard receipts are attached as Exhibit D to the Dippert Affidavit. While two of the postcard receipts correctly reflect the Express Mail mailing date of August 19, 1999, the third postcard receipt for the above-referenced application, mistakenly indicates that the application papers were received in the Patent Office as of August 24, 1999.

Applicants submit that, as is set forth in the Dippert Affidavit, the above-referenced application was forwarded to the Patent Office by Express Mail on August 19, 1999 in accordance with 37 C.F.R. § 1.10, and that said application should be assigned the Filing Date of August 19, 1999. Therefore, correction of the Patent Office records to reflect a Filing Date of August 19, 1999 is hereby requested.

Please charge any fee due to Deposit Account No. 03-3415.

Respectfully submitted,

William H. Dippert

AFFIDAVIT OF WILLIAM H. DIPPERT

William H. Dippert, hereby declares:

1. I am a partner with the firm of Cowan, Liebowitz & Latman, P.C., 1133 Avenue of the Americas, New York, NY 10036. I have been admitted to practice in the State of New York since 1976.
2. I am also a registered patent attorney. My Registration Number is 26,723.
3. On August 19, 1999, our office received from an Israeli Associate three sets of documents relating to National Phase applications to be filed with the U.S. Patent and Trademark Office. Two sets of the documents were received by FedEx, and the third set of documents was received by telefax. Copies of the cover letters from our Israeli Associate are attached as Exhibit A.
4. With the assistance of my assistant, William Bailey, we prepared the documents necessary for filing three U.S.

National Pharmaceutical applications. Our preparation included, among other things, reviewing the documents sent to us by our Israeli Associate (at least two of whose principals are registered in the U.S. Patent and Trademark Office), preparing return-receipt postcards, reviewing the documents for completeness, and preparing the necessary Express Mail documents.

5. Mr. Bailey prepared three sets of documents for me to review. I reviewed each set of documents, stapled the respective documents together, and then affixed a return-receipt postcard to each set of documents. Copies of the transmittal letters are attached as Exhibit B. Next, I put all three sets of documents in the same Express Mail envelope and hand-carried the envelope to the firm's mailroom, where I handed the envelope to the mailroom employee whose responsibility it was to take the Patent Office Express Mail to the U.S. Post Office. As is reflected on a copy of the Express Mail receipt, attached hereto as Exhibit C, said Express Mail envelope was received in the U.S. Post Office at 5:50 p.m. on August 19, 1999. An indication of our reference numbers for the three applications has been circled.

6. On August 19, 1999 I prepared and sent telefaxes to our Israeli Associate confirming the filing of each of the

aforementioned patent applications. Copies of those
telefaxes are enclosed as Exhibit D.

7. When the postcard receipts were received, copies of
which are attached as Exhibit E, the incorrect filing date
for the above-referenced application was not appreciated.
Copies of the postcard receipts were forwarded to our
Israeli Associate, and it was not until we received a
telephone call this week from our Israeli Associate's
office that we realized that the above application had been
assigned an incorrect filing date.

I hereby affirm that the above is true.

Service Guarantee: Excludes all international shipments. Military shipments delayed due to Customs inspections are also excluded. If this shipment is mailed at a designated USPS Express Mail facility on or before the specified deposit time for overnight delivery to the addressee, it will be delivered to the addressee or agent before the guaranteed time the next delivery day. Signature of the addressee, addressee's agent, or delivery employee is required upon delivery. If it is not delivered by the guaranteed time and the mailer files a claim for a refund, the USPS will refund the postage, unless: 1.) delivery was attempted but could not be made, 2.) this shipment was delayed by strike or work stoppage, or 3.) detention was made for a law enforcement purpose.

Consult your local Express Mail directory for noon and 3:00 PM delivery areas and for information on International and Military Express Mail services. See the *Domestic Mail Manual* for details. Express Mail International mailings are not covered by this service agreement.

Insurance Coverage: Insurance is provided only in accordance with postal regulations in the *Domestic Mail Manual* (DMM) and for international shipments, the *International Mail Manual* (IMM). The DMM and IMM set forth the specific types of losses that are covered, the limitations on coverage, terms of insurance, conditions of payment, and adjudication procedures. Copies of the DMM and IMM are available for inspection at any post office. If copies are not available and information on Express Mail insurance is requested, contact postmaster prior to mailing. The DMM and the IMM consist of federal regulations, and USPS personnel are NOT authorized to change or waive these regulations or grant exceptions. Limitations prescribed in the DMM and IMM provide, in part, that:

- The contents of Express Mail shipments defined by postal indemnity regulations as merchandise are insured against loss, damage, or rifling. Coverage up to \$500 per shipment is included at no additional charge. Additional merchandise insurance up to \$5,000 per shipment may be purchased for an additional fee; however, additional merchandise insurance is void if waiver of the addressee's signature is requested.
- Items defined by postal regulations as negotiable items (instruments that can be converted to cash without resort to forgery), currency, or bullion are insured up to a maximum of \$15 per shipment.
- For international Express Mail shipments, insurance coverage may vary by country and may not be available to some countries. Indemnity is not paid for items containing coins, banknotes, currency notes (paper money), securities of any kind payable to the bearer, traveler's checks, platinum, gold, and silver (manufactured or not), precious stones, jewelry, and other valuable or prohibited articles.
- Items defined by postal indemnity regulations as nonnegotiable documents are insured against loss, damage, or rifling up to \$500 per shipment for document reconstruction, subject to additional limitations for multiple pieces lost or damaged in a single catastrophic occurrence. Document reconstruction insurance provides reimbursement for the reasonable costs incurred in reconstructing duplicates of nonnegotiable documents mailed. Document reconstruction insurance coverage above \$500 per shipment is NOT available, and attempts to purchase additional document reconstruction insurance coverage are void.
- No coverage is provided for consequential losses due to loss, damage, or delay of Express Mail.

COVERAGE, TERMS, AND LIMITATIONS ARE SUBJECT TO CHANGE. Consult *Domestic Mail Manual* and *International Mail Manual* for additional limitations and terms of coverage.

Claims: Original customer receipt of the Express Mail label must be presented when filing an indemnity claim and/or for a postage refund.

1. All claims for delay, loss, damage, or rifling must be made within 90 days of the date of mailing; for international, call 1-800-222-1811.
2. Claim forms may be obtained and filed at any post office.
3. To file a claim for damage, the article, container, and packaging must be presented to the USPS for inspection. To file a claim for loss of contents, the container and packaging must be presented to the USPS for inspection. **DO NOT REMAIL.**
